

LOUISIANA

STATEWIDE BUSINESS SUMMIT

The Louisiana Statewide Business Summit will provide attendees with the opportunity to promote doing business with State Departments and Agencies and connect small businesses to resources. For small businesses seeking to expand their foot print in the sale of products and services to government, this is an extraordinary opportunity. The Summit will be beneficial to State agencies by providing an opportunity to connect with new vendors and assist with meeting Hudson and Veteran expenditures goals. Expanding the pool of vendors with qualified Hudson and Veteran companies can increase competition and lead to lower costs of procurement of goods and services while supporting small business job creation across the state. Small businesses will benefit from attendance and interaction with the participating state agencies and also learn more about programs designed to support small businesses.
